

Focus Group Discussions for the Development of a Mi'kmaq Language Strategy in Millbrook

SUNDAY, OCT.21 @ 2PM IN THE COMMUNITY HALL

Be Part of the Conversation!

This will be the final opportunity to share your expertise before the final recommendations are presented to Chief and Council to move forward with. All the ideas brought forward from the three previous focus groups (youth, adult, and senior) will be shared and all present will be given the opportunity to work with the various ideas to develop clear program plans and goals.

If you have ideas you would like to be considered but can't make it to one of the sessions you can email your ideas to Gordon Pictou gpictou@gmail.com and they will be included.

At this meeting we will:

Polish ideas into program plans

Identify language resources

Create working subcommittees to carry the initiatives forward

Explore ways to celebrate, promote, and encourage language acquisition
